

WAI TATT ENGINEERING SDN BHD

SAFETY AND HEALTH POLICY

Wai Tatt Engineering is committed to achieving excellence in occupational health, safety, and environment in all our activities.

In fulfilling our commitment, Wai Tatt Engineering Sdn Bhd places a high priority on the implementation of the following:

- To comply with all relevant legal, safety, and health requirements.
- To ensure a safe and healthy working environment.
- To make every reasonable effort in preventing accidents and injuries, controlling hazards, and promoting health and well-being.
- To strive for a ZERO loss of life at all workplaces.
- To provide and educate through appropriate training and awareness programmes.
- To ensure that all employees are aware of their obligations regarding environmental, safety, and health aspects.
- All Employees are responsible for ensuring Wai Tatt Engineering Sdn Bhd's continual success by being committed to safety and health at work.
